Overview

Welcome to our wholesale pricing catalogue. We created this catalogue to make it easier to know the wholesale pricing for our physical products as well as to get an overall idea of what your quote would be when you place a wholesale order.

Note that the prices include sales tax. What is not included in the catalogue is estimates on shipping as that depends on the size of the order and will be discussed together when we receive your wholesale order request via email.

When placing a wholesale order request, in the email subject line, please write Wholesale Order Request so it's easy for us to know what you are inquiring about.

Depending on the size of the order, if we know it will be more time extensive to fill, we do also add a \$50 labor fee to cover the time it takes to order supplies and fill the order since there is only one person doing wholesale.

If you have any questions at all, feel free to email us at info@acknowledgewellnessllc.com. Thank you for supporting our small business and we look forward to collaborating with you.

With gratitude,
Carolyn Egan - Creator of Acknowledge Wellness LLC
